Our records indicate that the Notice to File Missing Parts dated February 18, 2004 was never received by Applicant's representatives. The Notice to File Missing Parts was brought to the attention of Applicant's representatives upon receipt of the Notice of Abandonment. No telephone call or other communication respecting abandonment was previously received from the Patent and Trademark Office.

The delay caused by the abandonment of the application was unavoidable due to non-receipt of the Notice to File Missing Parts.

Enclosed as evidence of non-receipt are docketing records indicating the only Missing Parts Notices received and docketed for the month of February, 2004. No such record exists for the above-referenced application.

Also enclosed is an assignment and declaration filed concurrently with this petition in the above-referenced application.

In view of the foregoing, petitioner respectfully requests that the application be revived pursuant to 37 C.F.R. 1.137(a). The petition fee prescribed by 37 C.F.R. 1.17(l) is enclosed herewith.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 02-4377.

Two copies of this sheet are enclosed.

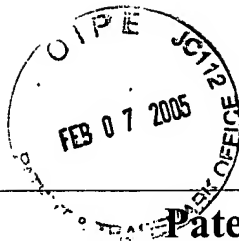

Respectfully submitted,

BAKER BOTTS L.L.P.
